

SURFSIDE QUILTER'S GUILD

2018-1019

7th & 8th BLOCKS OF THE MONTH

Palm Tree 12.5" high and 7.5" wide

Sun 8.5" square

You can use fusible applique or another method if you prefer. The background for the Palm Tree is cut 12.5 inches high and 8.5 inches wide. I have added a strip of sand, water and sky in my background. You may want to add buttons for coconuts. The sun's background is an 8.5-inch square. The triangles are tucked under the circle for rays. I used 11 rays – but do what you think looks best. You can give the sun some attitude by adding sunglasses.
