

SURFSIDE QUILTER'S GUILD
2018-1019
5th BLOCK OF THE MONTH
Cabanas 13.5" wide and 9.5" high

You can use fusible applique or another method if you prefer. The background is cut 13.5 inches wide and 9.5 inches high. The sand may be cut straight across or wavy if you would like. The sand is cut 4 inches high and I placed mine over the sky fabric. If you want to seam your background then adjust your sky background. You will want your unfinished block to measure 13.5 inches wide and 9.5 inches high. You may want to embellish your three cabanas with buttons or fussy cut shapes, etc. Have fun!
