Monica announced that “Happy Hats” needs fabric donations. This charity makes surgery caps for children. They have made and donated several hundred, but the need continues, and the caps make a huge difference in the spirits of these children. The charity needs cotton fabric (any theme, but child themes are best), in 1-yard pieces if possible, as well as elastic. They will also take less than a yard, but it needs to be at least 21 inches square to be useful to them. If your guild members would like to donate, it would be greatly appreciated.

Show & Tell – Julie Vlahos

Thanks to our “Holders and Folders” volunteers today: Jeanette Brooks and Carolie Malenius.
