Speaker: Cindy Myers
"My Quilts Aren't Quiet"

St. Andrew's By-The-Sea United Methodist Church

2001 Calle Frontera, San Clemente

Mary Mulcahey - Programs

This month we welcome Cindy Myers with her lecture, "My Quilts Aren't Quiet." Besides showing us many of her beautiful Judy Niemeyer quilts, she will share how learning Judy's techniques made paper piecing easier and faster and helped her get many of her UFOs out of project boxes and into finished quilts.

Cindy has been quilting since the early 80's and has been teaching for over 18 years. She specializes in teaching Quiltworx/Judy Niemeyer Quilting Patterns, Fabulous Fabric

Ornaments and English Paper Piecing. Her other interests include beading, jewelry making and knitting, especially lace knitting.

Cindy lives and plays in Southern California. She owns and operates an Adult Residential Facility in her home in Ontario, where she, along with her husband and daughter, care for developmentally disabled men. She also does custom machine quilting and creates custom quilts on commission. Cindy shares her studio space with her family's three cats, Lilly, Missy and Zoe, who love to inspect all the quilts that come into her studio.

July Workshop

Cindy Myers - Prismatic Star

Wednesday, July 13, 2022

9:30 AM to 3:30 PM

San Clemente Presbyterian Church

Description: Cindy Myers, a certified Judy Niemeyer instructor, will teach Judy's foundation paper piecing technique using fabric strips to create this stunning 68" square quilt.

Pattern: Buy the pattern on Amazon at **[Prismatic Star Quilt Pattern by Judy Niemeyer: Arts, Crafts & Sewing](#)**

Fabric: The pattern requires 48 2-1/2" strips. There are several options: purchase a set of strips from Cindy at the workshop (\$48) OR purchase a strip set independently OR cut your own strips in a colorway of your choosing. If you want to purchase strips independently, look for Quiltworx strip sets by Tonga Batiks for Timeless Treasures. I found some sellers on Etsy that have them. Make sure you are getting 48 strips. You will not need background fabric for the workshop; Cindy advises that you wait until your star is arranged before choosing background fabric. For colorway inspiration, go to **[Prismatic Star \(quiltworx.com\)](#)**

Supply List: The supply list is included in the pattern, including advice for cutting your own fabric strips.

June Workshop Report

We had 20 enthusiastic Surfsiders learn from Sandy Corbin how to make four fun borders. What a great variety of fun fabric choices we had! Don't miss the July Guild Meeting "Show and Tell." I'm betting we'll see a bunch of finished projects from this workshop. ...Mary Arter

To sign up for any workshop, email Mary Arter at **mearter@gmail.com**, then send her a check for \$25. Please make checks payable to Surfside Quilters Guild (no abbreviations). For more information, contact Mary.

President's Corner - Debbie Myers

Quilting Strait

Summer is vacation time and many guild members have told me that they are traveling. One of the joys of travel for me is to visit a new quilt or yarn shop. Some quilters plan their trip around stops at quilt shops. I am not that organized, unfortunately.

My boyfriend is now used to me yelling, "quilt shop" as we pass one. If there is time, we stop. At the end of May, we drove up to Washington and toured the

Olympic Peninsula. One of the small towns we wanted to check out was Sequim. Late in the day on Saturday, we found a local shop, A Stitch in Time. It was closed and not scheduled to reopen until Tuesday when we were starting for home. Darn!

A friend and former SQG member now lives on Whidbey Island and she suggested that I check out **Quilting Strait** in Port Gamble. We spent the night in Fort Worden State Park where it rained buckets and managed to leak onto one of the sleeping bags.

But the next day dawned sunny and lovely and we headed toward Port Gamble, an old lumbering town accessed by a floating bridge.

Quilting Strait describes itself as: *"located in the beautiful historic district of Port Gamble where we are surrounded by forests and the waters of Gamble Bay. While you are here shop and eat in our little town, take a kayak ride on the bay or hike the forest trails."*

Well, I hiked into the shop, did some serious damage to my VISA card, and then we had a picnic lunch on the bay. Before leaving, we visited the General Store which serves a generous scoop of ice cream—the huckleberry was wonderful—and checked out the shell museum upstairs. On the way home, we stopped at Tater Patch Quilts in Merrill, OR, but got there too late and the shop was closed. Oh well, next time.

Have you visited an interesting quilt shop while traveling? Tell us about it!

BLOCK OF THE MONTH

Holly Betz & Judy Kamman

2022-2023

As we continue to ROCK THE BLOCK

Border number one is triangles. Here are variations for you to use, including prairie points, quarter square triangles, flying geese, half square triangles and corner stones.

Prairie Points

With wrong sides together fold a square in half horizontally. Fold the folded edges toward the center as shown to create a triangle with an open fold in the center.

To determine the size of the cut square :
Use the height of the finished Point x 2+1/2
Example:
2"- Tall prairie point x 2+1/2= 4 1/2" cut square

Quarter-Square Triangles*

With right sides together and the lighter fabric on top, pair one square of each color that makes the unit. On the lighter patch, draw a diagonal line from corner to corner.

Stitch 1/4" out from both sides of the line. Cut apart on the marked line to make 2 triangle-squares. With the darker fabric up, open out the top patch and press the unit.

Cut both triangle-squares in half diagonally as shown.

Referring to the diagram, join the appropriate halves to make 2 units.

Finished quarter square triangle 2 "
Starting squares one background square
And one focus fabric square 3 1/2" each.
Trim to 2 1/2" square

Fast Flying Geese*

Align 2 small squares on opposite corners of the large square, right sides together. Draw a diagonal line as shown and then stitch 1/4" out from both sides of the line. Cut apart on the marked line.

With the small squares on top, open out the small squares and press the unit. On the remaining corner of each of these units, align a small square. Draw a line from corner to corner and sew 1/4" out on both sides of the line. Cut on the marked lines, open the small squares and press.

Each set of 1 large square and 4 small squares makes 4 Flying Geese.

Finished Flying Geese 2x4
Cut one focus Fabric 5 1/2"
Cut 4 background fabric 2 3/8" squares

Triangle-Squares*

With right sides together and the lighter fabric on top, pair one square of each color that makes the unit. On the lighter patch, draw a diagonal line from corner to corner.

Stitch 1/4" out from both sides of the line. Cut apart on the marked line.

With the darker fabric up, open out the top patch and press the unit.

A pair of squares will yield 2 units.

Triangles squares one focused fabric 3 1/2"
And one background fabric 3 1/2"

- For the cornerstones cut for 2 1/2"

Philanthropy - Linda Chiu & Nancy Pestal

From Linda & Nancy ...

July, 2022

Our inventory now is over 109 completed quilts. We received about 25 more in June. At our General Meeting, we made \$77 on Fabric Sales, and with our Silent Quilt Auction we collected \$155 for 2 quilt tops.

In May, we donated 12 Quilts to the Youth Shelter in Laguna Beach, 25 Quilts to Laura's House, and 30 Pillowcases to CHOC at Mission Hospital.

What do we need next?

We need to build our supply of baby quilts (40-45 inches) for the Marines and local churches.

We need kids' quilts and pillowcases for the local hospitals.

We will donate to Meals on Wheels in the fall, so that means lap-sized quilts for women and men.

Thank you VERY MUCH for your support of Philanthropy.
Please join us on the 3rd Wednesday anytime you can. YOU are always welcome!

Happy Sewing!
Linda and Nancy

Our Next Sew day is Wednesday, July 20
San Clemente Presbyterian Church - 9:30 AM to 1:30 PM
Come and go as you wish. Bring a lunch and beverage.

Editor's Note: When I was at the dentist recently the hygienist and I were talking about quilts. She asked me if I belonged to a guild. I replied that I belonged to Surfside Quilt Guild. She had tears in her eyes when she told me how much her 97 year old mother loves the quilt she received that was made by our guild. It was a goose-bump moment. How lucky we are to have such a wonderful Philanthropy group! Deanne Meidell

Welcome - Mary Harrigan

We welcomed four new members in June, but we only got to personally meet Nellie Ashton and Gale Licata. One other new member, Cathy Pilliod,

attended the retreat but can't join us on Tuesdays due to another commitment (golf?!). Candy Crain was signed up by another member but, hopefully, we'll see her at future meetings.

We're so glad to have all of these ladies in our guild!

Sunshine & Shadows - Mary Harrigan

Even though we only have shadows to report this month, it's good to remember that the sun still shines behind the clouds! So we send positive vibes to Jan Shaw following foot surgery and to Pam Edmond who had breast cancer surgery and now faces radiation treatments.

My own daughter, Stephanie Harrigan, has been diagnosed with an abdominal tumor and surgery is scheduled.

We're wishing sunshiny days ahead for each of these ladies.

It's always sad to hear about and report a death. Our dear member, Verna Rollinger, died suddenly in June. She was active in Laguna Beach government for many years as a city clerk and council member.

Monthly Mini - Maggie Bell

For July --

We have a lovely pineapple-patterned, paper-pieced mini made with 30's replica fabrics that was donated anonymously. If anyone knows who made it, please let me know. I only have 5 more Minis to last us through December, so, come on, quilters! We need more Minis! They can be small wall hangings, table toppers, bags, etc. Use your imagination and creativity to help out the guild.

Maggie Bell

Monthly Mini Chair

Congratulations to Pam Hadfield for winning the darling patriotic wall hanging made by Del Thomas at the June meeting. A big THANK YOU to all those who bought raffle tickets. The total was a whopping \$187.00!

PHD - "Projects Happily Done"

PHD, "Projects Happily Done," is an open friendship group meeting the 4th Friday of the month, January thru October each year. We share our projects, ideas and questions. Bring your list of 9 projects and you'll be encouraged,

Let's Get to Know - Sherry Smith

LET'S GET TO KNOW.... BY SUSIE RUSSELL

Sherry Smith

I guess you could say that Sherry's quilting skills grew because her love of quilts exceeded her skills! Now that is a statement! Sherry had learned sewing in her 7th grade Home Ec. class and went on to make clothes for herself. But it was when she fell in love with a Hawaiian appliqué quilt at Sowing Sisters Quilt Shop and signed up for her first class to make a hand appliqué Hawaiian quilt pillow that she soon learned she was over her head! She didn't let that discourage her and quickly signed up for a Crazy Nine Patch class and had instant success!

Since Sherry feels that the skill and art of quilting needs to be passed down, she is teaching her 11 year old granddaughter how to sew and also to hand quilt. Perhaps one day her granddaughter, Bridgette, will help Sherry fulfill her dream of making a Mother/Daughter documentation quilt. Sherry can trace her lineage as far back to the 1700's in Virginia and on as they migrated to Kentucky, Tennessee, Illinois, Kansas, LA and San Diego. Sherry is the fifth generation to live in San Diego. She currently lives in Oceanside.

Sherry has a deep interest in quilt history, collecting vintage quilts and or tops. She feels learning about the quilts helps us to connect to women in the past who had experiences like our own and experiences like we can't imagine. She is interested in historical quilting trends, dating fabrics and restoration tips. Sherry is wanting to either join an existing friendship group or is wanting to form a friendship group that has these special interests. Please contact her if you have that interest as well.

We are so happy to have Sherry in our guild.

"Creating Memories"

This design was created by Veruschka Zarate for QuiltCon 2022 in Phoenix. I practiced matchstick quilting on it.

"Respect the Art"

I made this for this year's Cherrywood Challenge. The theme was "Graffiti" and I had to use these fabrics. I combined applique, hand and machine, and embroidery.

Scrap Quilt**

I'm teaching my granddaughter, Bridgette age 11, to hand quilt. She helped me with 3 baby quilts I made for her triplet cousins who arrived in March, 2022. These are scrappy projects from the leftover fabric. Hand quilting gives me great peace and a feeling of accomplishment when something of beauty is created.

**Hiroko Moriwaki
From Sandy Corbin's "My
Basket Collection" Workshop
in 2017.**

I enjoyed her workshop very much. I used Japanese fabrics and embroidered a crane and my family crest. I changed to a branch instead of her vines.

**Susan Ritschel
"Starburst"**

This pattern is by Tula Pink. I completed it recently after having the pattern and fabric for a few years. I'm so happy I did. After listening to our speaker, Sandy Corbin, I'm very happy this quilt has a fun border.

**Katy Lillie
"Unicorns for Charlotte"**

Charlotte is leaving the pre-school building and heading to Kindergarten in the Fall. She wanted a pink and purple quilt with unicorns. A kit with a panel with coordinating fabrics was seen and bought. She will get this right away.

Katy Lillie
"Stars Over Provo"

This is a wedding quilt for our niece who got married on May 8, also the anniversary of Mark and me. She chose the fabrics and the pattern, "Stars Over Mitford." The fabrics came from my stash, Etsy, eBay. One fabric came from Australia. There are 24 pieces in each block for a total of 1856 pieces excluding the borders. Karen Wendel will be quilting this and it will be delivered soon.

Adela Carrete
"Red, White and Blue Flower Quilt"

This is a sampler, a fun mini quilt.

Vickie Janis
Fourth of July Tailgate

I purchased the panel last recently on the Central Coast Shop Hop. My baby boy turned 40 this week so instead of a birthday card, I made a quick quilt. Hard to believe he's forty?! The border fabrics were in my stash. I bought the minky backing on the way home.

Barbara Seidel
Happy Hearts

I begged Nancy Pestal to sell me this quilt top since she won it at the silent auction. Jay and I did the Central Coast Quilters' Run. I found the backing fabric at Atascadero SewFun Quilt Shop. It is flannel and has all the colors of the top. Best part, I didn't have to

Orange County Modern Quilt Guild

The Orange County Modern Quilt Guild has openings for its July Virtual Workshop with Audrey Esarey of Cotton and Bourbon.

Workshop: Sunday, July 17, 10 am - 3 pm PST on Zoom. Cost is \$60 for members/ \$70 for non-OCMQG guild members

The class is one of her Watercolor Quilts patterns. If you're not familiar with Audrey and her work, please visit her website, cottonandbourbon.com. She is very well known in the modern quilt world and has won numerous accolades for her quilts.

Audrey describes the class like this:

"The Watercolor Quilt is a wall hanging made from one large block that uses curved piecing to create the illusion of transparency from overlapping circles. The class will cover my process for building a fabric gradation and tips and tricks for stress-free curved piecing. Take the guesswork out of color selection by using one of the published color gradations inside the pattern! The Watercolor Quilt finishes at 32 x 32 inches. Pattern not included" - pattern must be purchased separately from cottonandbourbon.com

If you would like to register for the workshop, please contact OCMQG at: ocmodernquiltguild@gmail.com.

The class catalog for Road to California 2023 is now available.
