GENERAL MEETING - TUESDAY,
June 12, 2018
 San Clemente Presbyterian Church, 119 N Ave De La Estrella,
 San Clemente, CA 92672
 Doors open 9:30am Business Mtg 10:00am Program follows.

**Kathryn Pellman - A Fashionista's Journey,
 Art Quilts ...Whimsical to Traditional**

Fabric and thread are her paint; the sewing machine is her paintbrush. Kathryn's quilts have a strong connection to traditional quilt making in their construction with the sandwiching of three layers that are stitched together and broderie perse, a traditional style of applique in which images from commercially printed fabric are cut and applied to a background fabric.

Kathryn, who has been sewing since she could thread a needle, has a certificate in fashion design. Her quilts have been exhibited throughout the United States and published in the New York Times, the Los Angeles Times, American Quilter and Patchwork Tsushin. She is also the coauthor of Backart – On The Flipside.

Meeting Reminder

Wear your name tag. Bring goodies to share. Carpool with a buddy. Introduce yourself to someone new. Bring your project for Show&Tell.

Board Meeting -
 June 19 - 10am at
 Seaside Villas Clubhouse
 33715 Surfside Drive
 Dana Point.
 Call Maggie to save a seat:
 949-488-3011

I can't believe I am now president of this wonderful guild! I fell in love with Surfside Quilters Guild the moment I walked through the doors! I had to wait until I retired in December 2013 to finally be able to make it to your daytime meetings. Every 2nd Tuesday of each month, I just feel happy when I am on my way to our meetings...to the beautiful drive to San Clemente Presbyterian Church, to the ocean I can see right before I enter the doors. Then coming inside... to be greeted by so many friendly quilters! And then to top it off, there is piano music playing to make the mood just that more inviting!

I have had such a wonderful experience since joining SQG and hope that I can do you all proud this year as President. My goal is to make our group even more fun. With that, we will start in June with a Name Tag drawing! So, be sure to wear your name tags. This way, I will be more likely to remember your name and so will others.

Linda Rigdon's Presidents Quilt

I can't stop smiling about my President's Quilt! Thank you for such a treasure. It is a sweet remembrance of my year as President. I love reading your names and thinking of each of you. Your creative artwork and notes are heartwarming, and I will remember you forever. Each block reminds me of how very special is our Surfside Quilters Guild. Seeing blocks with Bette Bradley's and Leslie Butterworth's names made me pause to remember them. They are two special people who each made lasting memories in my life. I'm glad they are represented here.

Betty Collins - thanks for Chairing the Quilt Committee. I will never forget how we thought a "signature quilt" would be so easy. I know there were discouraging days, but you fought it through, the quilt got done, and it's just right.

Nancy Ota - How did you know I would wear orange? Your artwork is spot on - my cockatoo, Cookie, looks like the kite!!! The size is appropriate. And Murphy the dog really prances like you depicted on the quilt. Thank you. And thanks too, to Isabel. XOXO

Membership

with Angela Miller, Hiroko Moriwaki

WELCOME OF OUR NEW MEMBERS. Stop by the Information/Welcome table at the meeting to see what is currently taking place around the quilting world, near and far. If you have questions, we will try to answer them. We know it can be confusing being part of a large guild; we will help you find how much fun it can be discovering more about make and sharing quilted treasures

We have many opportunities to join others in smaller groups, from making community quilts in our Philanthropy group or working on your own projects, along with other guild members, in our PHD (Projects Half Done group, and taking monthly workshops.

Welcome aboard.

SQG Block of the Month #1 VW Bus

Welcome to the first BOM for 2018-19. Hop on the VW bus and head for the beach. We have ten different blocks for you in the coming months and we'll be having a beachy time. Be sure to stop by our table at the June meeting for the next installment.

This project is a great way to use your scraps, but you may want to have a yard of sky fabric and 3/4 yard of sand/ground if you'd like the backgrounds to match. OR you can sash around the blocks and mix it up. Be creative and have FUN!

WORKSHOPS

Vivien Hawker and Jane Salem

On June 13 we will be converting our workshop day to a FREE SewCial day! Please join us at our fantastic venue at the San Juan Mobil Estates to create items for our Novemberfest raffle and boutique. Kits will be available or bring your own project. We always have fun sewing and socializing.

On July 11 Tina Curran will teach her **Whimsical Garden Workshop**.

Create a beautiful quilt by making a pieced background, fussy cutting flowers (from floral fabrics) adding cut stems and then fuse down and raw edge applique all the flower heads and stems to the background.

See her award winning work at tinacurran.com.

On August 15 we will have another SewCial day where Novemberfest kits will be once again available.

On September 12 Annie Unrein will be giving us a workshop on her **Ultimate Travel Bag**. Learn the secrets to making bags that look like you bought them-not like you made them. Annie will share techniques like installing zippers, making adjustable carrying straps, and more. The perfect travel companion, this functional bag is carry on compliant and sure to turn heads wherever you go. For more information go to byannie.com

>Workshops are held at San Juan Mobile Estates, 32302 Alipaz, San Juan Capistrano, (turn south from Del Obispo Street; the Estates is located about 1/2 mile down on left side), 9:30 to 3:30 on the Wednesday following the SQG general meeting unless otherwise noted.

THANK YOU to MAGGIE BELL and DEL THOMAS.

Past President Linda Rigdon thanked Maggie and Del for their "above and beyond" support of the Guild since it's inception in 2009.

Let's Get to Know...Judy Kamman

with Susan Russell

This month I had the pleasure of meeting and interviewing JUDY KAMMAN who has been a member of Surfside Quilters Guild for two years. Sewing and quilting comes easy to her because of her home economics background and having a mother and grandmother who did a lot of sewing. But her quilting journey started after taking a quilting class from Suzanne Stanton. Now Judy loves to work with wool and does piecing quilt tops as well. Her grandparents owned a hotel and below the hotel was a print shop and around the corner was a Thrifty Drug Store. She remembers doing "dumpster diving" for all of the interesting things these stores threw away. This must have been the beginning of her creative self! Though she has given up on the "diving" years ago, she still finds herself in thrift stores looking for wool to felt.

Judy is a world traveler with destinations most people only dream about like Peru, Bali and China to name a few. She travels with an exciting group of people through "Destination Crafts and Craftours". Some of the tours she has gone on have been filmed and shown on PBS. Judy is married and has one son. She has lived in Laguna Hills for 38 years but was born in Bakersfield, CA making her third generation Californian. She and her husband have a sweet Portuguese water dog named Katie who just happens to be the cousin to Beau, President Obama's Portuguese water dog! You will be seeing a lot of Judy in the next few months because she has volunteered to head up the boutique for the November Fest. Let's all do what we can to help her.

It's Basket Time

with Mary Artur

A fun part of the Guild's major money maker, November Fest, is the raffle of baskets filled with goodies! Our raffle baskets come together through the creativity and generosity of Guild members. I hope each of you can help out this year. Every basket will have a theme; many will, of course, be related to quilting, but I'd love to see other themes: food, travel, entertainment—use your imagination! How can you help? **Create a themed basket.** This is a great activity for a friendship group, or you can do one as an individual. Pick a fun theme and a cute basket, then fill the basket with items that fit your theme! **Donate items** for Guild-sponsored baskets. We're looking for items that fit the following themes: Try Something New (kits, patterns, supplies, etc. for non-quilting crafts), **Patriotic** (USA and red/white/blue items—including fabrics, notions, decorative items), **Little Ones** (fabrics, clothes, toys, games, crafts, etc. for babies and toddlers). Use your imagination for items that can go in these baskets. **Donate empty baskets.** Here's a chance to clear out those empty baskets hanging around the house—donate them to be filled for raffle baskets! **Come see me** at the June 12 General Meeting to **sign up** to create a basket, **get a list** of theme ideas, and **donate** items for Guild-sponsored baskets or empty baskets.

STASHBUSTERS - PHILANTHROPY with Mary Artur, Linda Chiu

WEDNESDAY, June 20, 2018 10 AM - 2:00 PM
SAN CLEMENTE PRESBYTERIAN CHURCH
119 AVENIDA DE LA ESTRELLA IN SAN CLEMENTE

Thank you to all guild members for your support of Philanthropy. Your work enables up to provide quilts for several groups, including Marine baby showers, Grandma's House of Hope, Meals on Wheels, Olive Crest, and others.

Do you want to make a quilt for Philanthropy but aren't sure what to make? We are always in need of baby quilts and lap size (roughly 40 inches by 40 inches) quilts. We can use larger quilts, too, but many of our groups prefer small quilts.

We will have quilt top kits at the June 12 General Meeting. Stop by our table, take a kit home and assemble the top. Want some ideas to use up some of your fabric stash? Try one of these:

Use a jelly roll to make a strip quilt.

Use a charm pack or layer cake—just sew squares together. Add sashing and/or borders to use up strips.

Add borders to a panel.

Whether it's one of our kits or your own design, you can bring completed tops to us at any General Meeting. We'll add the batting, back, and binding, and make sure it finds a good home. Or, you can do the quilting and binding and bring us the finished quilt—whatever you like to do—you do you!

We will have fat quarters for sale again on June 12--\$1 per fat quarter.

Wishes for a speedy recovery were sent to **Deanna Garcia** who recently had back surgery. The stitches have been removed and she is recovering well.

A card was sent to **Vera DeVito** after learning she had a small stroke. She is recovering well with much care from a devoted husband. Vera hopes to be back with us soon.

Vivien Hawker and her family celebrated the wedding of her daughter this past month. It was such fun for the entire family to be together. Our congratulations to the new couple.

Please let us know of guild members who are celebrating special joys and also those who may be experiencing a sadness of an especially hard situation. Every day is even more precious as we share the sunshine and shadows of each other.

PHD (Projects Half Done) GROUP

We are a “finishing group.” During May we finished up project #6 on the list. We meet the fourth Friday each month at 10 AM at Maggie Bell’s clubhouse in Dana Point.

In June we will work on Project #5. Contact **Johanne Gibson or Sheri Hill** for more information and directions.

Novemberfest Boutique and Demo

It would be great to have the friendship groups commit again to a project for making items for the Boutique in November. If you need ideas, please contact me either by email or at the meeting. I have lots of patterns and project ideas.

I will be at the next SewCial, **June 13**, demonstrating a button bracelet with stretchable elastic. I will provide the elastic. I am asking you to bring 50 to 70 buttons from your stash; you can use either flat or shank vintage buttons. Assorted novelty buttons make a fun, wearable art bracelet. Come see me at the June 12 meeting at the Fest table to see a sample.

Come to the SewCial for ideas, kits, and projects for the Boutique.. We also need volunteers to help with making this Boutique a success.

SHOW & TELL

Julie Vlahos and Carol Whiteside

Vickie Janis' daughter, **Jessica**, turned 40 this year and still cringes when said out aloud. A friend sent a picture of this quilt she found on-Line and this was her attempt. It used up scraps and she bought a jelly roll and MORE fabric to get the right colors. Happy Birthday, Jessica!

Jan Hirth made this baby quilt for her 5 month old great niece, Mika. The alphaet panel is from Andover Fabrics that she bought in Alaska last summer. She added the borders, including the lions that will roar out the ABC's.

Cathie Opila purchased this "Forest Friends" kit at Rd2CA with her good friend Glenna. She pieced the quilt over two years and didn't have a home for it. Her cousin asked her to make a quilt for her daughter-in-law and wanted this exact quilt. She finished it for the PhD group and now it is off to a good home.

Cathie made "Too Many Squares", inspired by a kit at Hancocks of Paducah. It was fun to learn a new technique for strip piecing and she got to use colors she would never buy separately. She quilted it with wool batting and will keep it for herself or give it to her daughter. Cathie had fun using leftover for the back.

Betty Collins made this applique flannel bird kit from a Shabby Fabrics Block of the Month. Kit.

Wendy McCalley made "Christmas Ribbons" from Betty Bradley's stash, finding a great stack & whack fabric with exactly four repeats to make 40 blocks but only enough yellow for 20 blocks. Wendy made two other table toppers with the extra blocks.

Mary Harrigan used a Biblical quote from Ecclesiastes "for everything there is a season, a time for every matter under heaven." The large crazy quilted flowers represent the four seasons. She bought nothing new but used all supplies from her stash and even used every bit of challenge fabric from the 2017 Challenge. She is still doing some final quilting before it goes to her church's fundraising event next month.

Suzette Blake made "African Girls" with a class last month from Irene, Vivian's mom. It was so much fun putting the fabrics together.

Angela Miller made "Surf Chicks" from a wonderful class by Vivian's mom, Irene. Thank you, Irene, for spending the day with us.

Irene Hughes taught at the April Sewcial. This is Nancy's rendition of her piece - a work in progress.. Nancy also made this vintage postcard pillow from Jean Impey's class.

After listening to Jean Impey's program last month, **Claudia Redfern** went home to finish a "kit quilt" since Jean said it is OK to make a quilt from a kit. At Rd2CA she bought a chenille tape which was used in the binding and as an accent around many of the blocks. She washed the quilt once to fluff up the chenille. Machine quilted by Karen Miller of Cosmic Quilting.

Janice Tsuma made this dinosaur child's quilt for a friend's grandson.
