## Guild Meeting – Tuesday, June 14, 2022

9:30 am – 12:00 pm

St. Andrew's By-The-Sea United Methodist Church

2001 Calle Frontera, San Clemente

For our June meeting, we welcome back a friend of our guild, Sandy Corbin. Her lecture, "Let's Talk Borders," illustrates the impact a border can make on your quilt. You will learn to determine whether your quilt needs a border, the different styles of borders and how to size your border to fit any quilt. She lives in Laguna Hills with her husband Brad. She has been a member of Beach Cities Quilters Guild for 23 years. The guild has been a very important part of her life. She has served as President, V.P. for Programs, Quilt Show Chair and just about every other guild position you can name. Sandy has always had a love for fabrics and, like many other quilters, began sewing in junior high school. She began making quilts in the 70's and started taking classes in the 80's. By the 90's, she was obsessed with all things quilting. She was using as many fabrics as possible in a quilt which led to her love of making "scrappy quilts." "Sandy's Designs" was founded in 2002 when she started making her own patterns and teaching in local quilt shops. In 2016, she became a certified "Quilt in a Day" instructor. She loves sharing her passion for quilting and her motto is "Fun and Done."

### On Dead Cats and Comforters

Pesky, our travel companion and lizard catcher of many, many years died last night. It was not unexpected. He was 17 and had a long, good life but today we are sad. What, you may ask, does a dead cat have to do with quilting?

Our pets provide many things including comfort. Quilts also provide comfort.

Perhaps that's why as quilters, our first instinct upon learning about bad news, is to gift a quilt to the unfortunate person. Northern California fire victims, older seniors who receive Meals on Wheels, our homeless families, chemotherapy patients, hospitalized children as well as people in

the Ukraine have all received our quilt donations. Our hope is that these quilts provide comfort.

Hiroko Moriwaki passed along a book, Unconventional & Unexpected, American Quilts below the Radar 1950-2000 by Roderick Kiracofe. It's a book of "everyday quilts, incredible comforters (tied quilts), and quirky improvisational quilts that explode with soul and self expression." Flipping through the book, I was drawn to these wonky, imperfect, even garish, but obviously, treasured works.

They brought back childhood memories of an old rather creepy, lumpy covering used to cover us kids when we slept at grandma's house. It was a thick, well-worn, heavy thing made of scraps of dark colored flannel and tied with orange strings. Her house was an old Indiana farmhouse and frigid but with the weight of that old comforter, we kids were both cozy and comforted.

May all the recipients of our quilts find similar peace even if only momentarily.

**Wed., June 15, 2022**

**9:30 am - 3:30 pm**

**San Clemente Presbyterian Church**  
**\$25 for Surfside guild members**

This would also be cute for use as a table topper or wall hanging.

Pattern: Buy the pattern (\$11) from Sandy at the June 14 guild meeting or at the workshop.

Fabric: You will need 6 fat quarters and assorted scraps for the top, and you'll need two more fat quarters for the pillow back.

Supply List: Get the supply list when you sign up.

Note: You will need invisible thread.

**May Workshop Raffle Winner: Sheri Hill**

**July 13 Workshop: Cindy Myers**

Cindy Myers, a certified Judy Niemeyer instructor, will teach you Judy's foundation paper piecing technique using fabric strips to create this stunning 68" square quilt.

Pattern: Buy the pattern (\$36) when you sign up.

Fabric: The pattern requires 48 2-1/2" strips. There are several options: purchase a set of strips from Cindy at the workshop (\$48) OR purchase a strip set independently OR cut your own strips in a colorway of your choosing. If you want to purchase strips independently, look for Quiltworx strip sets by Tonga Batiks for Timeless Treasures—I found some sellers on Etsy that have them. Make sure you are getting 48 strips. You will not need background fabric for the workshop; Cindy advises that you wait until your star is arranged before choosing background fabric. For colorway inspiration, go to **PRISMATIC STAR**.

Supply List: The supply list is included in the pattern, including advice for cutting your own fabric strips.

**To sign up for any workshop, email Mary Arter at  
mearter@gmail.com, then send her a check for \$25. Please make

## Philanthropy - Linda Chiu & Nancy Pestal

### From Linda & Nancy ...

We begin this year with 48+ completed quilts. If you are ready to sew some more...we need everything!

..Recently, we had a request for quilts for teenagers for a shelter in Laguna Beach.

..We need to build our supply of baby quilts (40-45 inches) for the Marines and local churches.

..We need kids' quilts and pillowcases for the local hospitals.

..We will donate to Meals on Wheels in the fall, so that means lap sized quilts for women and men.

Thank you VERY MUCH for your support of Philanthropy.  
Please join us on the 3rd Wednesday anytime you can. YOU are always welcome!

**At the May Guild Meeting, we made \$105 on Fabric Sales**

and \$340 on the Silent Quilt Auction.

## Philanthropy Parade

**Philanthropy Sewing Day - Wednesday, June 22**

This is a friendly reminder that Wednesday, June 22, is our next SEW Day for Philanthropy.

We will be at the San Clemente Presbyterian church from 9:30 am until about 2:00 pm. We hope you can join us for all, or part of that day. Please bring a sewing machine if you can, or just come to help with other projects: finding backs, cutting fabric for kits, making kits for pillowcases, sorting fabric, etc.

Bring a lunch if you want to join us around noon to take a break and visit for a bit...

We hope to see you. Please contact us if you have any questions.

Happy Sewing!  
Linda and Nancy

## President's Quilt - California Dreamin' Monica Shafer: Past President

On Tuesday, May 10, at the Surfside Quilters Guild General Meeting, Mary Arter, President of the guild during the 2021 - 2022 term, was presented with the quilt members made for her. California Dreamin' was the theme Mary chose. Designing, sewing, assembling and quilting took place in the second half of the 2021 -

2022 term. In addition, as a gesture of appreciation for Mary's service above and beyond the call of duty, Mary was presented two tickets to the Festival of Arts - Pageant of the Masters.

Mary kept the guild together through lockdown due to Covid, two venue changes, moving guild meetings to Zoom thereby necessitating changing the bylaws, which actually made it three venue changes counting Zoom, working with the Programs chair to reshuffle our speakers and workshops. In addition, Mary signed us up for access to the Global Quilt Connection, the twice-yearly event hosting a series of short webinars presented on Zoom. Saturday Stitches, Mary's weekly outreach to the members, helped keep us all connected throughout our Covid isolation, as well as after restrictions were lifted, and kept us abreast of fun and interesting events in the guild and out in the quilting universe.

For all these things and more, we members of Surfside Quilters Guild want to thank Mary Arter, our indomitable and always positive leader, for a job well done.

Three cheers for Mary!!!

## Let's Get to Know - Diana Jacobs

### LET'S GET TO KNOW.... BY SUSIE RUSSELL

#### DIANA JACOBS

Diana, a California native, grew up in San Diego enjoying sailing with her dad. Perhaps that is where she got her love of the outdoors. As an adult, she has enjoyed tennis, golf, hiking and walking. Ten years ago she walked the LA Marathon which was an 8 hour journey! She admits that it was her one and only marathon, never to be repeated! Other adventurous hikes include hikes in Mammoth and the Inca Trail in Peru. Locally she enjoys hiking in Mission Viejo on the Oso Trail.

Quilting entered her life in the 1970's before all of the tools that are common place now and make our quilts more accurate. Because accuracy was difficult without the tools we have now, she named one of her early quilts "Disappearing Points" which I think we all can relate to. Years ago Diana took classes through Saddleback College and also Sewing Shanty in Mission Viejo, which is no longer there. She has been a member of Beach Cities Quilters Guild in the past and is happy to be in our guild.

It sounds like Diana can do almost any quilting method but prefers the traditional quilt patterns. She has a considerable stash of fabric which may be a result of having worked at Material Possessions for many years. How could she resist! Right now she is focusing on finishing up quilt projects that were started but never completed.

Diana has been married for 53 years and has two sons and 4 grandchildren. When Diana isn't quilting she finds time to do some flower gardening and to read a good book.

Please look for Diana, a new member, to say hello and welcome her into the guild.

## Show & Tell - Angela Miller & Hiroko Moriwaki

SHOW & TELL is one of our favorite times each month, seeing what everyone has put their stitches into creating.

Please bring your newly finished projects for SHOW & TELL this month, just like you normally would.

In honor of our friend, Sandy Corbin, returning as our speaker this month, we would also be delighted to have you share a project made with Sandy, or one of our past guest speakers/teachers during June's SHOW & TELL! One month only, show us those class projects!

So, what to share in June? Something new or something from Sandy's past class or another teacher's workshop. Everyone is curious!

## Show and Tell May 2022

### Charlotte Runyan

I made this quilt for a friend's wedding gift.

She picked the pattern and fabrics.

### Monica Shafer "Tiny Elves"

This was a 100 Days - 100 Blocks Challenge. It took me 100 days to piece the blocks. Four years later, I assembled it.

Vivien Hawker quilted it.

### Nancy Ota & Sumi Maruyama "Memories"

Suzanne Stanton and Betty Sue Boss were in charge of BCQG "Block Party" in 1993. There was a pattern printed each month and for every block you brought you had a chance to win a set of signed blocks. In 1993, my friend Candy won two sets, the album block and the bow tie blocks. Last month at our Friendship group meeting, she surprised me by giving me 23 blocks. They were signed by old friends. Some have moved away and some have passed. I made 13 more blocks from my 90's fabrics and added sashing and a border to make it larger. Sumi made and signed one of the blocks. I want to give it to her to keep her warm.

**Holly Betz**  
**"Durango Dreams"**

This will be a wedding gift for my niece Chelsea and her husband Ryan. The pattern is "Arboretum." I'm going to make one for myself.

**Maggie Bell**  
**Cushion for a Dinghy**

A good friend who lives on his boat in Dana Point Harbor needed a new cover for the cushion in his dinghy. The signal flags spell out the name of his boat, "Dulcinea."

**Mary Freedman**  
**"Emma's Quilt"**

The fabric was purchased in Paducah while I was vacationing with my granddaughter. Emma chose the Kaffe fabrics. I started the quilt 2 years ago but it was set aside last year for medical reasons. I completed the top this year. It was quilted by Karen Hanway.

**Annette Leinen**  
**"Hummingbird"**

I took David Taylor's workshop last fall and finally finished the project. I loved the workshop! I used David's freezer paper hand appliqued method for the bird. I added a flower using a raw edge

machine applique method. I hand quilted it using echo quilting.

Dawn Johnson  
**"Sew World Piece"**  
This 20" x 20" wall hanging is entered in the Cherrywood Challenge. The theme is graffiti.

Dawn Johnson  
**"Full of Flowers"**  
This is a sampler, fun mini quilt.
