Ahhh, spring is in the air and with St. Patrick's Day quickly approaching, we can't help but have luck on the brain. One of the first symbols of luck that comes to mind is the shamrock — no, the four leaf clover — wait, what?

Let's start with the latter. Unlike other good luck charms, the four leaf clover got it's rep for a pretty straightforward reason. As you probably learned for yourself at some point, four leaf clovers are really hard to find, and that rarity is why we consider them lucky. They're actually the product of a genetic mutation in the regular white clover plant, but that hasn't stopped mankind from assigning meaning to their unique shape.

When I think about being lucky, I think about how lucky I am to be a part of such a wonderful quilt guild! It has been such a fun year and, boy, has it gone by quickly. We are at that time of year when we are working on filling positions for the 2019-2020 board. If you would like to become more involved, please let **Monica Shafer** know as there are a few positions left to be filled. If you are not able to commit to a full year position, **Margie**

**Butterworth** is our Volunteer Coordinator and she can put you to work helping with something at our general meeting. It just makes the guild even more fulfilling to get involved.

## 2019 CHALLENGE

with Jan Hirth, Debbie Myers

### THE CHALLENGE IS COMING!

At the March guild meeting, challenge kits will be sold. You will receive three fat quarters of Hoffman fabric along with the challenge rules – all for \$15. Sixty kits will be sold. The entries are due at the July guild meeting.

And what is the theme? Well, since you might realize SQG is hanging up its tenth year of existence, what better theme than “Hang Ten!” Yikes, what can you come up with? How about ten traditional blocks, ten people, ten trees, ten flowers, surfers hanging ten, etc. The rules state that you need to incorporate 10 or ten in some way on your entry. All imaginative or quirky interpretations are permissible. So, get your thinking caps on!

The Nominating Committee met on February 12 to determine the Slate of Officers for the upcoming Term. Sincere thanks go to the Nominating Committee Members: **Nancy Pestal, Judy Nunn, Elizabeth Geer, Maggie Bell** and alternates **Sheri Hill and Donna Matukas**

The Nominees will be formally introduced at our March General Meeting. Nominations from the floor can also be made at our March Meeting, providing that the person nominated has confirmed in writing that she will serve if elected. Elections will take place at our April General Meeting. The installation of Officers will take place at the May General Meeting.

### SLATE OF OFFICERS FOR 2019-2020 TERM

**MONICA SHAFER - President** Monica first became interested in quilting when she saw a classmate's colorful patched blue jeans and knew she had to learn that skill. It's the combination of art and practicality that appeals to her, and the history of women stitched into cloth. In her family, Monica was the girl who took up the handcrafts of her grandmother, while her sister became a career woman like her mother. Music has been a big part of her life as well. Many of you may remember her serenading the guild accompanied by her ukulele at Linda Ambrosini's President's Quilt presentation. She's has lots of projects in the works, lots of fabric to use for them, and an undying curiosity about new and interesting quilty things.

**MARY ARTER -1<sup>st</sup> Vice President (Programs)** Mary learned many "maker" skills –knitting, crochet, embroidery, needlepoint- as a child from her mother, but sewing wasn't one of them, so she is self-taught. Starting out sewing Halloween costumes for her children, she graduated to sewing costumes for the theatrical productions at her daughters' middle school. Along the way, she discovered quilts and has been making them for about 25 years. Mary makes some traditional and some modern quilts, in a range of techniques. She loves taking on large projects that let her learn something new. She is active in Philanthropy and enjoys using her skills to make someone else's life a little better.

**VIVIEN HAWKER - 2nd Vice President (Membership)** - Vivien refused to learn how to sew in Home Economics as she couldn't see the point in making bags or aprons. She eventually learned when she wanted to make her boyfriend's jeans "skinny". In 2000, when she made a sunflower Water Color quilt for her sister, she was bitten by the quilting bug, and still hasn't recovered. Vivien loves all styles of quilts and methods, and is always finding joy in the creative process. Her other interests include baking, reading and hiking with her family. (Yes, Vivien did marry that "skinny" jeans boyfriend and no, he doesn't wear them anymore!)

**GLENNA ANDERSON - 3rd Vice President (Facilities)** - Her first quilt was a Christmas log cabin started on Dec. 21 and she discovered she needed more time. Glenna enjoys being a patron to the quilting arts and finds quilters to be the most wonderful, talented people. She has demonstrated twice in the Table Hops and loves supporting the Phd and Philanthropy groups.

## ELECTION

with Linda Rigdon, Parliamentarian

**JANET SMITH - Secretary** - Janet has been sewing for 58 years! Her aunt taught her how to sew my clothes when I was 10 on her Featherweight. So that's what she did all through school. Janet started quilting about 32 years ago and loves to paper piece. She may have enough stash for every member of SQG to come shopping. Janet was a charter member of SQG in 2009 but left for a couple years because of another commitment that conflicted with the second Tuesday. Now she's back for good, want to just sew and quilt. She loves sewing with my quilting friends and loves the ladies in this guild.

**MICHELLE LINCOLN - Treasurer** - Friends took her to a first "Road to California" and a couple of months later Michelle was hooked on quilting and officially became a quilter in 2005, two years before retirement. She began slowly by hand quilting two Hawaiian style plumeria pillows and enjoyed the preciseness of completing the needle turned appliqué, but felt hand quilting took too long, so purchased her Bernina and joined Beach Cities Quilt Guild in 2006. She taking classes through the guild and through Leah's in Mission Viejo. When Surfside Quilt Guild was formed by **Nancy Ota**, Michelle switched her patronage immediately and has enjoyed taking several classes and hopes to take more in the future.

## SOUTHERN CALIF. COUNCIL OF QUILT GUILDS

with Nancy Ota

"**MEET THE TEACHERS**" is the next SCCQG meeting on April 13, 2019. This is the most exciting Council meeting as there will be many speakers/teachers showing their quilts and offering their expertise to our guilds. All members of Surfside Quilters Guild may attend. Come and help decide on future programs.

This is also a great opportunity to begin a career of sharing your talents with other guilds. You may apply for a booth at <http://www.sccqg.org/meet-teacher.htm>.

"Meet the Teachers" will be held at the Carson Community Center, 801 E. Carson St., Carson, CA.

**April 13, 2019 9 AM to 2:00 PM** Questions may be directed to the Co-Chairs: Sharon Amos at [sbqltr@cox.net](mailto:sbqltr@cox.net) or Karen Yarrow at [kfolsom@wans.net](mailto:kfolsom@wans.net)

## PHILANTHROPY/STASHBUSTERS

with Mary Arter, Linda Chiu

Thanks to Hofmann's generous fabric donation and our Surfside members' sewing skills, we are donating an additional 65 pillowcases to WE CARE (for a total of 113), who will pair them with quilts to be distributed to schoolchildren in the Paradise/Chico area. Cheers to all of you for helping to brighten these children's lives!

Thank you for all your fabric donations. We use these fabrics for Philanthropy quilt tops and backings to go with them. Some fabrics go into our fat quarter sales—come see our selection at any General Meeting—somebody else's "trash" may be your "treasure".

With another baby shower coming up in the spring, we are always in need of baby quilts. If you prefer to make an adult quilt, our most requested is lap-size—roughly 40 inches square. Don't hesitate to make what you like, though—we can find a home for any size/style of quilt.

Bring completed quilt tops to us at any General Meeting. We'll add the batting, back, and binding, and make sure it finds a good home. Or, you can do the quilting and binding and bring us the finished quilt—whatever you like to do! Check out our selection of quilt top kits—we provide the pattern and pre-cut fabric, you just have to sew.

Our March Philanthropy sew session will be on **Wednesday, March 20 at 10 AM**, downstairs at San Clemente Presbyterian Church. We have plenty of work, even if you don't want to sew. Bring your lunch and join our social time.

## MAGAZINE RECYCLE

First Day of Spring is March 20.

## WORKSHOPS

with Vivien Hawker, Jane Salem

On **Wednesday, March 13** our workshop is with Pam Hadfield, teaching her unique and creative Dresden design - Whimsical Wedges. This is a great pattern for a full size quilt, wall hanging, table runner or a pillow. Pam will have some fabric choices to choose from at the class or to supplement your fabrics, along with the rulers needed for this class. Visit Pam's website at [mamacquilt.com](http://mamacquilt.com)

Our **Wednesday, April 10** workshop is with Diane Ricks teaching her gorgeous silk painting with a unique blend of applique and stitching. Her supply list calls for stretcher bars and two water color brushes. She will provide a kit, including fabric and a pattern (choice of 3) for \$13. You can see Diane's original designs on her blog [wonderfulwearables.blogspot.com](http://wonderfulwearables.blogspot.com)

On **Wednesday, May 15**, we will host a Sewcial at our workshop venue. We are very pleased to have **Becky McDaniel** and **Carolie Malenius** giving us demonstrations. Please join us and learn how to tat from Becky and great Jelly Roll Rug tips from Carolie, so save the date.

Workshops are held at San Juan Mobile Estates, 32302 Alipaz, San Juan Capistrano, turn south from Del Obispo Street, the Estates is located about ½ mile down on left side. Time is 9:30 to 3:30 on the Wednesday following the SQG general meeting unless otherwise noted.

Any kit or book fees are payable directly to the teacher. The workshop fees are \$40.00. Non-member fees are \$50. Please make checks to Surfside Quilts Guild; the bank will NOT accept SQG.

SQG members have first priority for workshop reservations until the break at the previous general meeting. Non-members are put on a waiting list and following the break, will be confirmed to attend.

If you have a reservation but are unable to attend, please attempt to find someone to fill your space and advise **Vivien Hawker** by e-mail ASAP. Refunds are available until the break of the previous month's general meeting.

## MONTHLY MINI

with Sheri Hill, Nancy Northrup

The March Monthly Mini, made by **Monica Shafer**, was inspired by modern artist Rex Ray. His simple lines and mid-century modern designs seemed a perfect match for a quilt made with solids. Monica used Steam-a-Seam fusible web, a variety of solids and shot cottons. It is quilted on Monica's home machine.

**Betty Manzo** won the framed embroidery, silk ribbon wall hanging donated by **Bette Bradley's** family, presented by **Becky McDaniel**.

If you would like to donate a Monthly Mini in the new year, sign up at their table at the meeting.

## LET'S GET TO KNOW.....HOLLY BETZ

with Susie Russell

**Holly** is a gal on the move....literally. She has moved 8 times in 12 years but even with all these moves, has been able to keep the wonderful heirloom antiques she acquired. Some antiques were from her grandmother to whom she was quite close. She has memories of her sewing basket and now uses her grandma's lovely silver thimble with her maiden name initial engraved on the band. Though she was not able to claim ownership, she specifically remembers seeing a lovely traditional log cabin quilt with the red center square on one of the beds in her grandmother's house. This lovely memory may be what inspired Holly to start quilting.

At **Holly's** junior high, the students were bused to the local high school where they learned cooking and sewing. Holly picked out a plaid fabric to make a shirtwaist dress. Needless to say the plaid fabric added an unknown challenge to a beginning sewer! But this challenge did not stop her enthusiasm for sewing or fabrics.

Having grown up in Rochester, NY. **Holly** was living in Jacksonville, Florida in 1970. There was a small craft store nearby where she purchased supplies for her needlepoint and embroidery. Eventually the store started carrying a few bolts of fabric and taught a sampler quilt class. Holly signed up for the class and her quilt journey started. She does admit that the instruction was spotty, the fabric selections limited and that she made a few mistakes.

Applique has become **Holly's** favorite type of quilting. Through the years she has done all types of applique but currently her favorite method is freezer paper. She loves auditioning fabrics and the color selection part of the quilting process. This applique wreath, "Alpine Serenade," was made for her mother's 75<sup>th</sup> birthday.

**Holly** has a son, David, and daughter-in-law, Linsi, who live in Austin, Texas. David is a contractor for kitchen design and her daughter-in-law does web design

Retiring in 2016 from teaching Montessori preschool in Dana Point, **Holly** has more time for her other interests which are gardening, baking, needlepoint and book club. **Holly** enjoys reading current best sellers and can give you lots of referrals for good books to read! Be sure to say hello to **Holly** and get to know this friendly and interesting fellow quilter.

## HOSPITALITY

with Kathyn Firman, Cece Bowe

It's my time to reflect on the Hospitality table. **Cece Bowe** presented the tablescape this time. It was the look of love. Hope you had a sweetheart to share Valentine's day with or a quilting gal for Galentine's Day to have lunch with. There were plenty of goodies to eat brought by our quilting gals. What did you like best? Did you have the heart shaped cheese with crackers, the fruit cups, German chocolate cupcakes, or **Margaret Shea's** cream puffs. There was also popcorn, M&Ms, and many more choices. What did you bring? It was appreciated.

Be sure to put your name in for the flower drawing each month if you bring a food item to share. The winners in February were **Nancy Pestal, Margaret Shea, and Pat Doughty.**

## Grand Finale - Layout

It's hard to believe we are approaching the end of our BOM for 2018-2019. It has been a fun journey and we can't wait to see everyone's finished projects. At the April meeting we'll have the big presentation. Be sure to get your finished blocks sewn together to be entered into the \$100 drawing. Be creative; embellish to make the blocks your own. The blocks sewn together will measure approx. 30"X30."

The Guild offers the opportunity to share experiences with other quilters in an atmosphere of fellowship, as well as to enhance the knowledge and skills of its membership. Newsletters are distributed via the Internet. Dues are \$40.00 annually for the membership year from May 1st through April 30th. Guests are always welcome for a donation of \$5.00.
