May - President's Quilt, Meet the New Board and Happy Birthday to Us!

As the year of programs for 2021-2022 comes to a close, we look forward to a new year of lectures with 1st VP Programs, Mary Mulcahey, at the helm.

In May we'll have a tribute to our devoted, supportive, creative, and capable President of two years, Mary Arter. *(Photo left)* We'll honor her by presenting her with **California Dreamin'**, a quilt containing the blocks as well as the stitches of many grateful guild members.

The last two years of Mary's Presidency have been unlike any other. Fortunately, we've actually been able to have eight live guild meetings as well as four Zoom sessions. We've moved twice, had speakers cancel due to COVID, and still managed to record a record breaking amount of philanthropy quilt donations. November Fest was well-attended as well as profitable and members continued to improve their skills by attending workshops and participating in the Bucket List Challenge. And last of all, we were able to take a bus trip to Road. In short, despite many challenges, it was a very good year. **THANK YOU, MARY!**

May also marks the **14th anniversary of Surfside Quilters Guild's founding. Happy Birthday to us!** We'll mark the occasion with treats and festivities including a **silent auction of three beautiful donated quilt tops.** *(Photos of donated quilt tops below-- more details to follow in a May Saturday Stitches.)* You'll also **meet our new board members, each of whom will show and tell about a quilt that they've made.** We'll hope that you'll attend and help salute our many new volunteers.

During the April 12, 2022 general Surfside Quilters Guild meeting, a new slate of candidates was voted into the Executive Board offices by unanimous vote. They are:

Debbie Myers - President
Mary Mulcahey - 1st VP Programs
Janis Toman - 2nd VP Membership
Charlotte Runyan - 3rd VP Facilities
Vivien Hawker - Secretary
Jeanette Brooks - Treasurer

Please join me in welcoming our new Executive Board at the May 10, 2022 general meeting.

President's Corner - Debbie Myers

WHY WOULD YOU WANT TO DO THAT?! My boyfriend asked when I told him that I had agreed to act as President of Surfside Quilters Guild.

Why would I? Because I really, really, really missed the LIVE meetings and my friends during COVID. It's true. You really don't know what you've got 'til it's gone. Who else understands the joy of fondling fabric, the excitement of a quilt show, or the agony of trying five times to get that blankety-blank seam to match?

This coming year, I look forward to working with a terrific group of smart, humorous women with a wonderfully upbeat outlook on quilt life. **Denise Riley**, our Past Program Chair, has lined up a varied array of speakers and workshops. All are from CA and most will be able to load up their cars with lots of quilts to show us. Thank you, Denise! We'll resurrect the SewCial and Member Demos. Several members will present a Showcase of their work and during the holidays we'll figure out a philanthropic project.

I hope you'll find it fun and get involved. Take a workshop, come to Philanthropy sew days, join PHD, and offer to help one of the Committee Chairs at the meetings. We always need volunteers and I think you'll find that you also can't live without your quilting friends.

I 'd like to introduce the Executive Board and myself before our May meeting.

Debbie Myers - President - I grew up in Indiana/Illinois and learned to sew while I was in Brownies. My two sisters and I were expected to sew many of our own clothes. I remember a particular gold calico quilted suit (*photo above*) that I sewed which evidently had funky lapels. A friend's Mom who had taught home economics blurted out that they weren't sewn correctly before my mom could hush her.

When I left home I was relieved to be able to buy and wear "store bought" clothes. It wasn't until I took an Adult Education class in 1990 from Suzanne Stanton that I began sewing very much again. Quilting became a passion—I took many classes, made a ton of quilts, and was even President of BCQG in 1995-96. Since then, my quilting has waxed and waned as work and other interests intruded. When I retired from doing Real Estate Market Research in 2015, one of my goals was to start sewing again.

Walking every day at the beach and checking out the surf is my sanity and the place where I germinate many ideas for quilting projects. My long-time boyfriend and I enjoy traveling, cooking, and camping in his pickup with a pop-up camper on the back. His two geriatric cats travel with us.

1st VP Programs - Mary Mulcahey - I took up quilting after I retired, having sewn pretty much all my life. I began the quilting journey in 2007 and it pretty much took over my life. In January 2009, I moved from Granada Hills to Lake Forest and began my second career as full-time daycare for grandchildren. I started with Cora, who is an unofficial charter member of Surfside. Now, three grandchildren and 12-1/2 years later, I finally got to retire again. So now I can continue on with more quilting. I'm pretty eclectic in my quilting though I do have a strong preference for batiks and bright colors. I'm also a pro at starting UFOs. With more time now, I'm hoping to get my long-arm business going again.

2nd VP Membership - Janis Toman -I started making quilts in the early 1970s. I took my first quilt class in 1993 and learned about rotary cutters, cutting rulers and cutting mats. Those tools certainly made quilting much more enjoyable. In 2013, I retired from teaching Special Education at Newport Harbor High School and joined Surfside Quilters not long after that. I enjoy a wide variety of quilts and quilting projects.

3rd VP Facilities - Charlotte Runyan - I learned to sew at a very young age. My mother taught me to embroider when I was about six and then to use the sewing machine soon after. I was always the first to finish multiple projects in Home Ec classes. I went on to become a Home Ec teacher and continued my love of sewing by making quilts. I caught the "bug" in 1976 and have been obsessed with quilting ever since—making multiple quilts for friends and family. I love trying new techniques and making large quilts. Until about four years ago, I quilted all my quilts by hand. Now I enjoy quilting on my domestic machine as well. My other loves include spending time with my nine grandchildren, gardening, and reading.

Secretary - Vivien Hawker - I love quilting and being part of our fabulous guild. I love hiking and camping with my family and furry friends. I also enjoy trying out new recipes in the kitchen, especially when they turn out well. We came from the USA from South Africa in 1997 and have been very blessed to live in such a beautiful part of the world.

Treasurer - Jeanette Brooks - I am a wife, mom, and grandmother of some amazing Brooks.' We have lived in Laguna Hills for over 40 years. My quilting life began about 30 years ago and my first teacher was Suzanne Stanton. She is a great teacher who taught various quilting patterns through Capistrano Adult Education. I was one of the original members of BCQG.

I also worked full-time for Mission Viejo Company, Capistrano Unified, and Santa Ana Unified School Districts. I have a BSBA and an MA in School Finance. I retired from public education about five years ago and that was when I joined Surfside.

I enjoy getting my sewing skills slowly back up to par. And I love learning new techniques at our guild workshops. I have just joined Mini Maniacs friendship group and love my new quilting friends.

Parliamentarian/Past President - Mary Arter - I started quilting over 30 years ago but didn't take it very seriously until I joined Surfside about five years ago. I love to take workshops and classes and learn new techniques and I've recently enjoyed making challenge quilts using what I learn. I started out making mostly scrappy traditional quilts but have moved toward a more modern esthetic in the last few years. My biggest quilting struggle is making improv quilts that don't default to nice, clean, symmetrical designs. I enjoy handwork and like to find more ways to incorporate it in my quilt-making.

President's Quilt - California Dreamin'

Surfside Quilters Guild's gift of appreciation to its outgoing leaders is a quilt made by its members. Presentation of **Mary Arter's** President's Quilt will be at the next general guild meeting on Tuesday, May 10, 2022 at 10:00am.

California Dreamin' is the theme Mary chose for the quilt. Members will be surprised at how many aspects of our state are depicted in the quilt blocks.

It's been said that many hands make light work and it has been true in this endeavor. At this time, I would like to thank these people for their help:

Tania Owens - Machine Embroidery
Odette Osantowski - Design Team
Maggie Bell - Design Team, Quilting Bee Hostess
Charlotte Runyan - Design Team, Quilting Bee Hostess
Mary Mulcahey - Design Team
Karen Wendel - Quilting Bee Hostess
Sharon Pembrook - Binding
Jeanne Tavasci - Binding
Julie Vlahos - Binding
Jan Kemp - Binding

We appreciate that Mary has led the group for a second term, especially in these times of pandemic shutdowns and Zoom guild meetings. Mary has led with wisdom, grace, humor, and resiliency, and we couldn't be more grateful.

I hope you will join us at the May general meeting to show Mary personally how much she means to Surfside Quilters Guild.

A new member, **Deb Warren**, won the April Mini, counted cross stitch wreaths made by President, **Mary Arter**.

Deb Warren (above left) won the cross stitch wall hanging created by **Mary Arter** (right).

Deb Warren (above right) won the Workshop Raffle. **Deanna Garcia**, Workshops Chair, is above left.

Workshops - Mary Arter

Surfside Quilters Guild offers workshops with many of our invited guest speakers. Each workshop gives you the opportunity to learn new techniques, interact directly with the speaker/instructor, and have fun with fellow guild members.

We are fortunate to have the use of a large space downstairs at San Clemente Presbyterian Church, allowing you plenty of room for your supplies and sewing. The workshop price of \$25 (plus any pattern cost) is much less than you would pay to take a class with the same teacher at a quilt show or other venue. There is such a large variety of quilting styles and techniques out in the world, you're sure to find

something that is new to you or learn a few new tips for things that are already familiar.

If you don't want to feel "stuck" with another partially completed project, in most cases, you can choose to make a smaller version of the class project. Make just one or a few blocks which can be finished into a pillow, table runner, or mini-quilt. If you don't want to keep it yourself, donate the top to Philanthropy and they'll get it quilted and sent to a loving home. Even if you only get one block or part of a quilt top made, no worries! There are people at Philanthropy who can combine your "partials" with other "orphans" and create unique quilts for donation.

If you're still unsure about taking a workshop, try the workshop raffle. At every general meeting, one lucky winner gets a certificate for a free workshop of their choosing. Buy a ticket—if you win, pick out the workshop you'd like to attend.

Samples, descriptions, and supply lists for upcoming workshops will be available at every general meeting and I'll be available to answer questions. You can sign up and pay the workshop fee with a check or cash at any general meeting.

I hope to see you at a workshop soon!

"It's all about the Borders"
Sandy Corbin

Wed., June 15, 2022

9:30am-3:30pm

San Clemente Presbyterian Church
\$25 for Surfside guild members

Description: Sandy Corbin will teach you how to create four different borders (swag, curvy, chained triangles, and braid) to make a 20-inch pillow. This would also make a cute mini-quilt for use as a table topper or wall hanging.

Pattern: Buy the pattern (\$11) from Sandy at the June 14th guild meeting or at the workshop.

Fabric: Six fat quarters and assorted scraps for the top; two additional fat quarters for the pillow back

Supply list: Available at sign-up. Note: Invisible thread required

"Prismatic Star"
Cindy Myers

Wed., July 13, 2022

9:30am-3:30pm

San Clemente Presbyterian Church
\$25 for Surfside guild members

Description: Cindy, a certified Judy Niemeyer instructor, will teach Judy's foundation paper-piecing technique using fabric strips to create this

68 inch quilt.

Pattern: Buy the pattern (\$36) when you sign up

Fabric: The pattern requires 48 2-1/2" strips. Three options: 1) buy a set of strips (\$48) at the workshop; 2) buy a strip set independently; OR 3) cut your own strips.

If you purchase strips independently, look for Quiltworx Strip Sets by Tonga Batiks for Timeless Treasures. I have found some sellers on Etsy. Make

sure you are getting 48 strips.

You will not need background fabric for the workshop. Cindy advises that you wait until your star is arranged before choosing background fabric. For colorway inspiration, go to quiltworx.com Prismatic Star.

Supply List: The supply list is included in the pattern, including advice for cutting your own fabric strips.

Sign up for either workshop at the May and June meetings or contact Mary Arter directly. Her email address is in the Directory.

PHD - Sheri Hill

PHD, Projects Happily Done, is a quilt finishing group open to all. It meets the fourth Friday of the month, January through October each year. We share our projects,

ideas, and questions.

Bring your list of nine unfinished quilts and you'll be encouraged, supported, and enticed into finishing one project per month.

On May 27th we are meeting from 10:00am to 11:30am at The Seaside Villas community located off Del Opispo Street in Dana Point. May project is #2 on your list. Happy spring sewing!

Any questions, contact **Sheri Hill** or **Johanna Gibson** (phone numbers and emails are in the Directory).

Let's Get to Know - Susie Russell

Deb Warren

If you were at the April SQG meeting, you saw one of our new members, **Deb Warren**, the winner of two raffles! She told me that this was her first time ever to win a raffle—quite a good start, I would say!

Deb was born in Canada and came to the US when she was six to live in California. Recently, she retired from a 41 year career as a Speech Pathologist. She also worked as a district administrator in Special Education, taught undergraduate classes at Cal State Fullerton, and worked as a clinical supervisor at Chapman University. At age 17, Deb knew her career path; she attained it and touched many lives.

Deb and her husband have two sons and eight grandchildren. Each of the grandchildren has a special quilt that she made for them.

She really enjoys quilt tutorials and deems herself a "quilter by tutorial." Her favorites are by Jenny at Missouri Star Quilting. Deb enjoys using pre-cut fabrics like jelly rolls, layer cakes, and charm packs. Through the years, she has been blessed to have two quilting neighbors and has been able to call on them when things just didn't match up!

Besides spending time quilting now that she is retired, Deb is beginning to find other fun things to do. She is adapting favorite recipes to a gluten-free version and is exploring that specialized way of cooking. Gardening and Bible study classes are two of her other interests.

There is much to admire about this energetic and enthusiastic woman. Please be sure to greet her at our next meeting!

"Spring" – Charlotte – this wall hanging was done in Jenny Lyon's workshop last month.

"Spring-Blooming Sheers" – Judy – class was Jenny Lyon

"Spring in Bloom" – Holly – Class was blooming sheers with Jenny Lyon. This will go on my bed in the summer.

"The Only Constant is Change" – Nancy – I began this small wall hanging in Jenny Lyon's Blooming Sheers workshop. I don't appreciate changes but unfortunately life is full of them.

Machine-quilted first, then the sheers were layered to create lettering & flowers. Applique was then stitched and trimmed. Very quick & easy.

Nancy Ota Face masks

Big thanks to Dora Cary & Orange Dot Quilts for their face mask pattern. I made hundreds of masks using this pattern. They were given to organizations, friends, and families.

Nancy Ota "Combining Workshops"

The first David Taylor workshop was taken at BCQG 8 years ago.. I got very little done that day but was impressed with his talent and patience.

The second DT workshop was taken at SQG in Sept. 2021. I decided to combine his two patterns: the Colorado Columbine & Hummingbird.

I found the floral border in my stash. I fit the center into the outer border. I learned to do this from Jane Sassaman. The background was dyed in a Mickey Lawler workshop years ago. The dark blue fabrics in the Columbine were dyed by Melody Johnson. I have taken many dyeing and machine quilting workshops. There is so much to learn.

Guests are always welcome for a donation of \$5. Membership and Volunteer forms are available on our website.
