“Asian Designs in the Modern World” Rami Kim

Welcome to Rami's world of fascination. Rami Kim is a DNA scientist-turned fabric artist/quilter/instructor known nationally and internationally. She is an 18-time Best of Show winner, distinguished for her innovative art-to-wear. Her passion is in contemporary art-to-wear, quilts, cloth dolls and bags with special interest in 3-D textures and she is known for her own distinctive colors and techniques.

Her first book, *Folded Fabric Elegance*, published by AQS, is about her 3-D texturing techniques and new projects. Her second book, *Quilted Elegance* (also published by AQS), focuses on reversible wearable arts, bags and two-sided quilts. The third and most recent book, *Elegant Cotton, Wool, Silk Quilts* was published in autumn 2012.

She graduated from Seoul National University majoring in Chemistry and University of California, San Francisco (UCSF) majoring in endocrinology and worked at the Cancer Research Institute at UCSF before her passion and talent in fabric art drastically changed this biochemist's career years ago. She says she'd rather spend even more time with beautiful fabrics and threads and beads than with DNA sequencing gels and radioactive isotopes of cold, gray science. In her website you'll find information on upcoming workshops, lectures and trunk shows, as well as a gallery of her art. www.ramikim.com

PRESIDENT'S CORNER Odette Osantowski odetteoo@cox.net 949-412-4988

Summer is over, vacations a distant memory, and the grandkids are back in school. Now we can get down to finishing up those projects that have been sitting around all summer.

It was so enjoyable seeing what our talented members came up with for our Challenge in August. The theme, "It's All About The Water", was perfect for our beach loving group.

Surfside's November Fest is quickly approaching. **Betty Collins, Barbara Seidel,** and their committee members are busy working on the event. Remember, November Fest is our primary fundraiser and we would love everyone to contribute. If someone asks you to help, please do. This is a great chance to make new friends or work with a buddy.

There is a special day for almost everything. Did you know that September 28th is "Ask a Stupid Question Day"? It's your opportunity to speak up, and to ask all those questions you were afraid to ask. Even though I have been quilting for 10+ years there are many questions I should ask but I'm afraid that I will look stupid or ignorant. The only way we learn new techniques or better ways to do things is "JUST ASK". You will be surprised how much you will grow in your quilting skills. C'mon, give it a try. Nobody will laugh.....we hope.

Odette Osantowski

HOSPITALITY Vivien Hawker vivienhawker@cox.net 949-218-0347

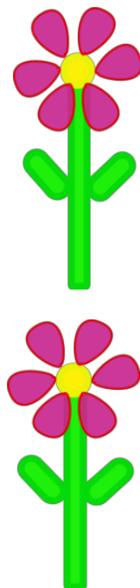

Many thanks to all those inventive quilters who helped to make our August hospitality table absolutely fabulous. The water theme made for delicious fun! A big thank you to **Nancy Pestal** for the coffee, and to **Jane Salem** and **Patty Seebold** for taking such good care of us.

Congratulations to **Victoria Crayne** (below) who won the table prize - a drought tolerant plant- in keeping with the "It's All About the Water" theme.

If your birthday falls in the month of September, or if you would simply like to share a treat, please bring something sweet or savory to the hospitality table.

BUS TRIPS/SPECIAL EVENTS Maggie Bell mbell62@aol.com Monica Shafer immshafer@yahoo.com

The bus trip to Palm Springs is a go! We will continue to take paid reservations (\$45.00 payable to Surfside Quilters Guild, NOT just SQG) at the September guild meeting. Friends from other guilds, or no guilds at all, are welcome to sign up also. Please look for **Maggie Bell** or **Monica Shafer** at one of the back tables for the forms to use. The date is **Thursday, October 8th**. The bus will leave the Methodist Church parking lot (27002 Camino de Estrella, Capistrano Beach, toward the beach from I-5) at 7:00am. Plan to arrive & park in the far back so you can be ready to board the bus a few minutes before 7:00. If you live farther north, the 2nd pick up will be the Target parking lot off of Alicia Pky just north of the I-5. Park close to the corner of Alicia & Charlinda, away from the building. We plan to arrive there about 7:15, so you need to be ready to board at that time. Last year we left the show about 3:00 so as to make it home ahead of at least some of the traffic and also so as to not have to pay extra for extended hours on the bus. Any questions? Contact **Maggie Bell** or **Monica Shafer**. Come along and enjoy the ride, the camaraderie, and the Palm Springs Quiltfest Oasis, a Mancuso show. The site for more info on the show itself is www.quiltfest.com.

If you are interested in a possible bus trip to the following venues, contact **Maggie** or **Monica**.

Road2CA in Ontario - Thursday, January 21, 2016. Estimated cost about \$35.
Modern Quilt Guild's QUILTCON West in Pasadena - Thursday, February 18, 2016. Estimated cost about \$40.

Sep 9, 2016 - No-Sew Tumbling Blocks

If you haven't seen **RAMI KIM's** No-Sew Tumbling Blocks up close, run - don't walk - to the workshop table at our next general meeting. They are woven, and Rami will teach us how to make them. This looks like a fun technique and I know it will be fun to learn.

NOTE: The September, 2015 Workshop will be held at SJC Community Presbyterian Church, 32202 Del Obispo St, San Juan Capistrano, CA 92675. Be aware that there is a lot of construction at the 5 Freeway and Ortega offramp, so give yourselves extra time.

October 14 - Sue Rasmussen— Curved Paper Pieced Flying Geese

Sue will be teaching us how to make Curved Paper Pieced Flying Geese. This class requires a basic knowledge of foundation paper piecing. We're sure this class will cause a migration of flying geese to your quilt tops and borders.

Workshops will be 9:30am to 3:30pm on the Wednesday following the general meeting unless otherwise noted.

>Any kit or book fees are payable directly to the teacher. The workshop fees are \$40.00. Non-member fees are \$50.00. Please make checks to Surfside Quilters Guild.
 >SQG members have first priority for workshop reservations until the break at the previous general meeting. Non-members are put on a waiting list and will be confirmed to attend following the break.
 >If you have a reservation but are unable to attend, please attempt to find someone to fill your space and advise Wendy or Linda as soon as possible. Refunds are available until the break of the previous month's general meeting.

Let's come down to the harbor, take in the nautical scenery, have some coffee (maybe iced), or, better yet, some Lappert's ice cream, while talking with friends about quilting. All are welcome, new and established guild members alike.

BOM Mystery Quilt Blocks 7 and 9 Mary Mulcahey mmul19@aol.com 949-951-2066

For those who missed the August meeting, thanks to a generous donation from Del Thomas, we will be drawing for a \$100 prize from those who complete their quilt tops by the June meeting. In order to complete our tops by then, we will be doubling up on blocks a few times. We will also have an assembly workshop to put all of your blocks together in May.

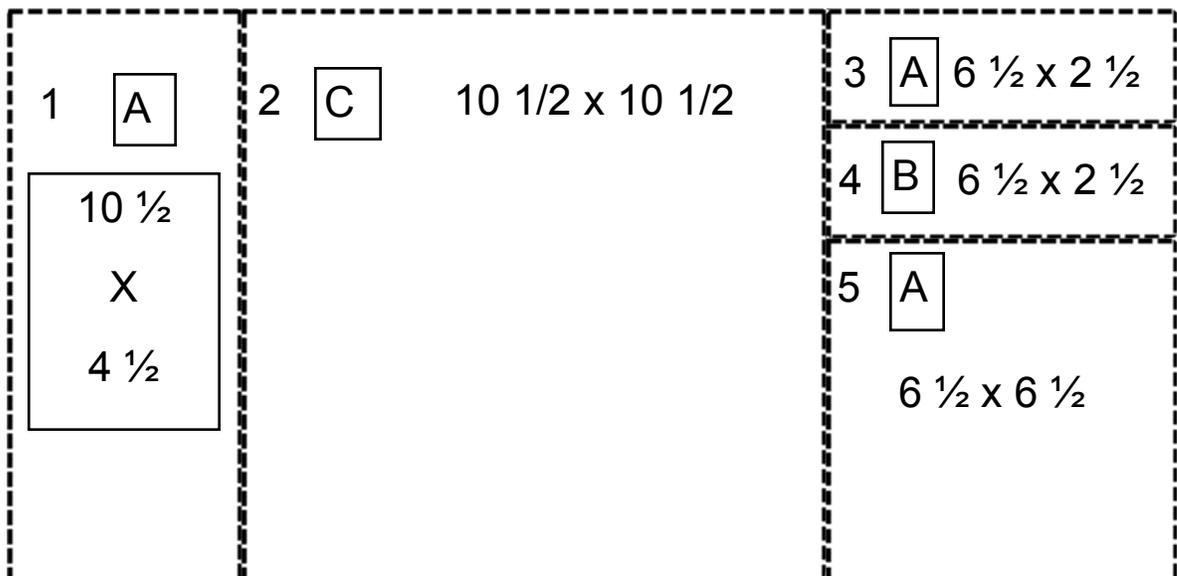

This month, we are doing two blocks, 7&9. Again, since we are not doing the blocks in order, you will need to label your blocks when you finish them.

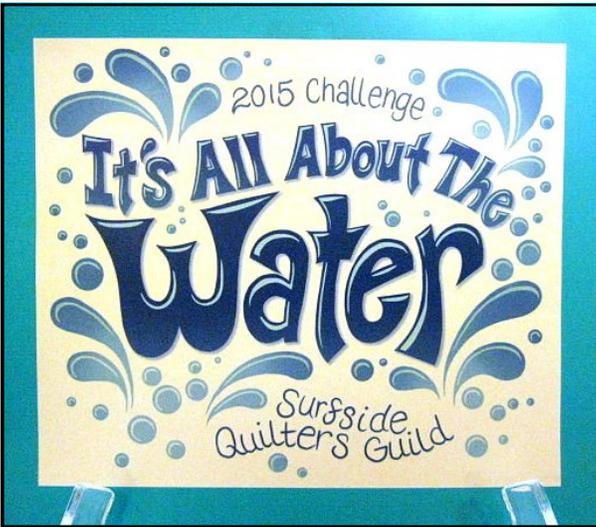

*I have added pressing directions because it will help when the blocks are put together. This affects your "B" pieces. While we work on the odd-numbered blocks, press away from "B".

Block #7

BLOCK #9

"It's All About the Water" exceeded my expectations! The quilts were so varied and interesting. Two thirds of those who purchased kits turned in an entry so we had 38 quilts on display, one pillow and one rain hat.

I'd like to thank the committee that worked with me. **Lyndy Dye** came up with the logo and kit design, **Helene Moser** did all the name tags which were pinned on the entries, and **Phyllis Parente** made the award ribbons. **Del Thomas** lent us the 10 sheets that hung on the quilt stands. And, of course, without **Hoffman Fabrics** we would have had greater expenses since the challenge fabrics were all donated by Hoffman. A sincere Thank You to **Michelle Flores**, marketing coordinator from Hoffman, for her part in the fabric donation as well as coming to our meeting to talk about the new line of Hoffman fabrics that will be part of their 2016 challenge.

And a big thank you to all the participants in the challenge. You made it a fun meeting! **Jan**

A note about the Challenge quilt pictures. All of the quilts are original designs except those that indicate they were made from a pattern or inspired by another artist's work. The quilts are all different sizes, but have been reduced so they will fit into this newsletter. There were nineteen awards given and these are indicated in blue print. **Del**, Newsletter Editor

The Surfside Quilters Guild, a 501 (c)(3) corporation, was established in March 2009 to promote quilting and other fiber arts in the South Orange County area. The Guild offers the opportunity to share experiences with other quilters in an atmosphere of fellowship, as well as to enhance the knowledge and skills of its membership. Newsletters are distributed via the Internet. Dues are \$30.00 annually for the membership year from May 1st through April 30th. Guests are always welcome for a donation of \$5.00. Membership and Volunteer forms are available on our website:
