

Days of Wine & Quilting

President's Quilt for Mary Mulcahey

Theme: Wine & Quilting

Colors: Mary has chosen Hoffman's batik, 581 Bluegrass, for the block background. You can get this fabric from me at any guild meeting.. I have plenty if you need more than the 6 1/2 inch square.

Block ideas: quilting notions such as pincushion, iron, sewing machine, quilt block, etc. or wine glass, wine cork, wine label, grapes, etc.—use your imagination or google: **wine quilts or quilting notions** on your phone or computer. Any technique is acceptable. Please make sure embellishments are securely attached.

Block size: 5 inch finished; we will trim the block to 5 1/2 inches. Please keep your design within the 5 inch area—we don't want to have to cut off your work.

Signature: Sign your block within the 5"x5" space.

Due date: I will collect blocks in January, February, and March guild meetings. **Final date is March 12, 2024 Guild meeting.**
