2018-1019  
2<sup>ND</sup> BLOCK OF THE MONTH  
TRUCK AND TRAILER – 9.5" X 22.5"

You can use fusible applique or another method if you prefer. The background is 9.5" by 22.5" and you may want to add some sand or a road to your block. Be creative – add your pets or family to the trailer window if you want. Have fun!
